Saturday Synchronized Skating clinics April 5 and April 19:

These clinics will teach you the footwork sequence and other skills to be evaluated at tryouts. Parent information packets will be distributed at the clinics, and OSC representatives will be at the registration desk to answer questions about OSC. Please arrive at least 30 minutes prior to the ice times stated below to register.

Fees includes both clinics and tryouts, so don't miss a moment of the fun!

(Note: The fee will be collected at the first clinic or tryout attended, and will remain as stated below regardless of the number of times you attend. Make checks out to Oxford Skating Club.)

Synchronized Team Tryouts May 3 from 2:00 - 4:00 p.m.

Ice time will start at 2:00 p.m. - please arrive at least 30 minutes prior to your ice time. Coaches will let you know your tryout time at the clinics, so please be sure to attend the clinics.

Please note: The time you are skating tryouts does not determine the team you will be placed on for the 2008-2009 season. All skaters' abilities, test levels, and ages will be evaluated to determine teams according to the USFS and ISI team guidelines. Coaches will notify you of your team placement via e-mail within two weeks after tryouts.

If you have questions about Oxford Skating Club prior to the clinics, please contact Amy at amy.mcgoldrick@rrd.com. For questions about skating on a synchronized skating team, please contact Heather at paigeha@muohio.edu.
