

Oxford Skating Club 2010-11 Membership Enrollment Form

Club Mission Statement: Oxford Skating Club is a non-profit organization where all recreational and competitive figure skaters are encouraged to meet their individual skating goals. OSC promotes sportsmanship and opportunities to develop skaters to their full potential in a positive, supportive environment.

Membership Levels and Associated Benefits

OSC Home Club Membership Fee (OSC home club Freestyle & team skaters) - \$135 (\$95 USFS + \$25 parent + \$15 ISI). This membership level includes skaters ISI & USFS annual membership, one parent membership and club t-shirts, club newsletters, opportunities to participate in club events & fundraisers, club year-end celebration, priority registration for OSC test sessions and in-club fees for Miami test sessions, reduced rates for OSC-sponsored classes. (Please note that FS only skaters not rostered on an OSC team may join ISI as an option-contact member chair)

Signed: _____ **Date:** _____
Signature (s) of members or Parent (s) if member (s) is/are under 18 years of age

Instructions for Completing Membership Form(s)

Updated May, 2010

1. Please read the NEW OSC membership form very carefully. We have made quite a few changes to facilitate renewal. Contact the membership chair directly with any questions at: juliecamprug@yahoo.com
2. ALL skaters under 18 must have at least one parent or guardian join OSC. This ensures a solid voting membership and permits every family to have a voice in club affairs.
3. For all team members who are required to join both USFS and ISI, **BOTH** of these annual renewals will be completed by the membership chair. Parents will no longer be required to independently renew their skater's ISI membership(s).
4. OSC members joining to participate in FS events and USFS testing (non-synchro skaters) are only required to join USFS. The ISI membership is optional. Please note that Goggin holds an annual ISI competition in February and if an individual skater wishes to compete in these events then an ISI membership is required.
5. Skaters who have a primary home club affiliation elsewhere are now required to receive OSC board approval before joining a synchro team and retaining the home club USFS membership elsewhere (e.g South Dayton FSC, Queen City...)
6. Please register only 2 skaters per membership form. One skater will be the 1st family member and the 2nd skater receives a discount as the second family member. Families with more than 2 skaters please use a second membership form.
7. The majority of our OSC families will be joining only one skater and one parent with the required USFS and ISI membership and will pay \$135.00
8. A parent of multiple skaters needs to only join OSC once.
